### Bishop's First Visit to St. Saviour's

When Bishop Susan Bell was elected in 2018, she stepped into history—becoming the first woman to serve as Bishop of Niagara and only the 12th person ever to hold the office, ushering in a new era of leadership in our diocese.

We're delighted that she will be officiating and celebrating with us on April 19th at St. Saviour's. Please join us for the service and an informal luncheon in her honour.

Learn more about Bishop Bell [here](#).

### Sandwiches & Desserts Needed

A light lunch of sandwiches and desserts will be served following the April 19th service. Should you wish to contribute to the luncheon, a sign up sheet is available at the back of the church or contact Marion at [umarion@gmail.com](mailto:umarion@gmail.com) to confirm what you would like to contribute.

### ROSE GARDEN PLAQUES

Peter Kretz is pleased to share that the 21 Rose Salute Garden has overwintered beautifully and is already showing new bud growth. He also notes that 16 roses remain available for a second plaque for those wishing to add their name to the garden signage. If you would like your name included, please speak with Peter,

### THANK YOU

To everyone who donated to the Easter flowers in memory of their loved ones, special thanks to Marion Bottomley for organizing the church floral display and to Barb O'Connor who arranged the outdoor spring urn.

### ST. SAVIOUR'S...

A CHURCH RICH IN HISTORY AND BEAUTY
