A Word from Rev. Cashin

Spring has arrived at St. Saviour's, and the church is looking especially beautiful. The gardens and grounds are in wonderful shape this year, thanks to many hours of care. If you're nearby, you're always welcome to stroll through, sit by the river, or enjoy a quiet moment on the bench.

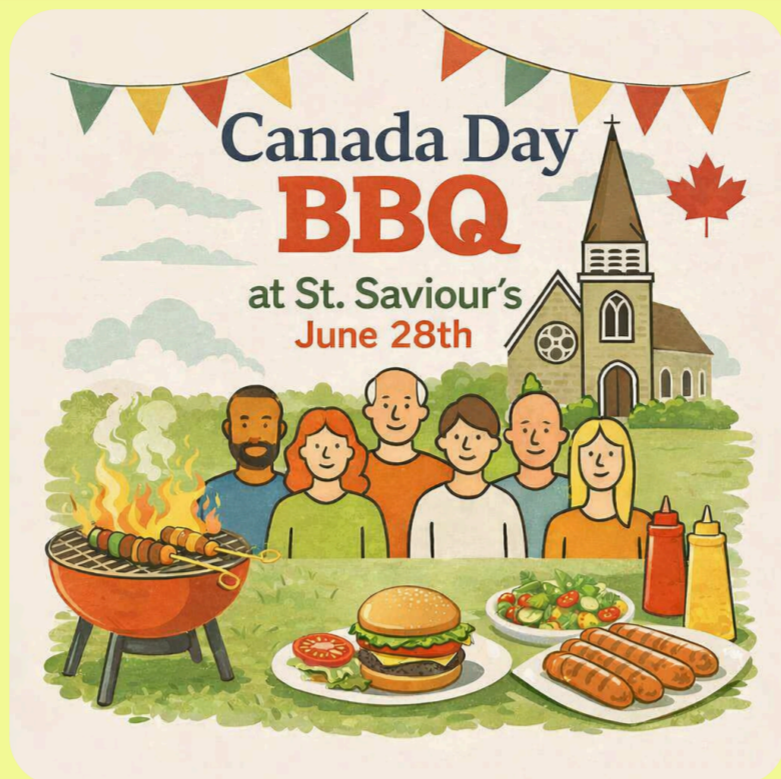

We've had a lively start to the season. In April, we were delighted to welcome the bishop for a joyful visit that lifted everyone's spirits. And on the first Saturday in May, our Blossom Tea once again brought a full house, gracious hospitality, and a lovely afternoon for all who attended.

Hospitality is at the heart of our Christian life, and we're grateful for every opportunity to welcome neighbours—whether at teas, services, or even our ever-popular (and currently full) line-dancing classes.

Looking ahead, our next community gathering will be the annual Canada-Day-weekend barbecue on the church grounds. We've been blessed with good weather in recent years, and we're hoping for the same this time. It's another chance to share fellowship, enjoy the beautiful surroundings, and welcome friends old and new.

We hope to see you soon.

On Sunday, June 28th, St. Saviour's parishioners are hosting the annual Canada Day BBQ to thank the "Friends of St. Saviour's" for their ongoing support.

There is **no charge** for this event.

If you know someone who may be interested in becoming a member of the *Friends of St. Saviour's*, please feel free to invite them as your guest.

PARISH PULSE RECAP

Bishop Susan Bell visited St. Saviour Church for worship and fellowship

On Sunday, April 19, 2026, we were delighted to welcome Bishop Susan Bell to St. Saviour's for worship. She joined Rev. Janet Cashin in leading the service and offered a thoughtful homily that encouraged us to keep looking forward by staying rooted in four practices: • **Stay with each other** • **Stay in prayer** • **Stay at this table** • **Stay curious**

Her message reminded us that while the road ahead may feel uncertain, it is also full of possibility—and with Christ walking beside us, we will find our way.

Blossom Tea Brings Together a Full House

St. Saviour's Blossom Tea once again filled the parish hall with warmth, conversation, and the irresistible aroma of fresh scones. Fifty-seven guests enjoyed a generous spread of sandwiches, sweets, and bottomless tea—an annual tradition that continues to draw both loyal regulars and enthusiastic first-timers.

Led by longtime organizer Marion B. and a dedicated volunteer team, the event offered a wide range of raffle and door prizes, with the ever-popular \$5 dessert box returning as a guest favourite.

Kick Up Your Heels: Line Dancing Takes St. Saviour's by Storm

St. Saviour's line dancing sessions have quickly become one of the parish's most popular community programs, with the latest session selling out in just one week. Instructor Anita Menezes credits the program's success to the dedicated behind-the-scenes teamwork that keeps everything running smoothly.

Participants love the fun, fitness, and warm welcome each class offers. Anita leads an upbeat mix of dances—from Cha Cha and Zumba to Charleston, Pop, Country, and even the Tango. With plans to launch a new session this September, the team is already gearing up for another lively season of music, movement, and community connection.
